# Rulebook

The ISA Rulebook will be adhered to at all times in all SSF Sanctioned events.

## Protest

1. At times errors of a special nature may occur with respect to the running of the contest. This includes but is not limited to: heat timing, interference directly attributable to an officiating error, tabulating errors, missed wave, etc. Any competitor, manager or team coach has the right to protest the result of a heat due to any of the above. Protests must be **in writing** and must be submitted to the Contest Director by the athlete, manager or coach within 15 minutes of the heat results being released.
2. The merits of each protest will be considered by the Contest Director after consultation with the Head Judge. Qualified observers (off-duty judges, spotter, and senior officials) may be asked for their advice. The Contest Director will rule on the incident and inform the surfer's manager of the decision.
3. NOTE: No protest can be lodged against a judging (scoring) decision. Wave scores of the judges are irrevocable. No Head Judge, Scoring Judge, or Priority Judge is to be approached over a score, a decision or the results. If so, a penalty may be imposed by the Contest Director on the individual or team involved.

## Conduct

Athletes, coaches, managers and officials should conduct themselves in a professional manner at SSF events. The contest director's decision is final and any disputes should be made in writing to the SSF and not by social media.
